Endorsement of Brazil Scientific Mobility Student:

By signing below, I hereby certify that the aforementioned information is true and correct and that I acknowledge/confirm the following:

- I understand that as a J-1 visa holder I must be registered as a full-time student during the pre-academic portion of my authorized program. A full-time course load can be defined from 12 to 15 credits or 18 to 22 contact hours during the pre-academic portion of my authorized program. If I am considering taking more than 15 credits or 22 contact hours then I will need to receive approval from my Intensive English Program Advisor and IIE prior to the first day of classes of the respective term.
- I understand that when registering for classes, I am only authorized to enroll in intensive English program courses.
- I understand that none of my coursework should be online and that no online courses will be covered by my scholarship.
- I understand that if I reduce the number of credits I am enrolled in after my U.S. host institution's published deadlines, even if I did not attend the course, that I may be held financially responsible for paying any tuition or fees pertaining to the credits dropped.
- I understand that I must inform IIE immediately if I have any difficulty meeting course requirements, remaining in good academic standing, or maintaining full-time status at any point during my authorized program.
